KB-M220

Multimedia keyboard with twelve hot keys

The KB-M220 is a black fashion design with twelve hot keys for media control and Internet. You can control everything with just a touch of a hot key. The conventional keycap structure provides maximum typing comfort and low noise. The classic black color is a perfect match for any PC or LCD display and is really lightweight.

KB-M220 is expected to be one of our most popular multimedia desktop keyboards this year. KB-M220 brings fashion to your workspace and full functionality.
You can contact your sales representative for more information about KB-M220.
